Goodness of Fit Document

Is The Goldenberg GI Center a good fit for me?

If you answer **YES** to any of the following questions, The Goldenberg GI Center may **NOT** be a good fit for your specific health care requirements.

- Do I require same day appointments?
 - Dr. Goldenberg is primarily a researcher and sees patients one day per week.
 - Dr. Goldenberg does NOT treat acute illness and should you have a medical emergency, you should always go to your nearest hospital for treatment. For non emergency treatment of acute illness please contact your primary care physician.
- Do I require prescriptions related to treatment and am not seeing a primary care physician?
 - Naturopathic doctors are restricted by state law in writing prescriptions. Dr. Goldenberg WILL however be happy to communicate on your behalf, with your primary care physician in order to voice any recommendations.
 - Dr. Goldenber is very knowledgeable regarding supplements and is happy to provide recommendations and orders for any supplements related to your treatment.
- Do I require insurance billing?
 - We do not accept insurance including Medicare, Medicaid, or other private insurance companies. Payment is expected at the time of service. You CAN however use your HSA to cover fees for your naturopathic care.
- Do I require same day portal/email responses?
 - We have a part time clinic. Dr. Goldenberg is primarily a researcher and sees patients one day per week. He checks all clinic portal messages and emails 4 days a week. We endeavour to answer all messages in 3 business days or less. The office manager checks phones during business hours M-F so always feel free to leave a voicemail and the office manager will convey important information to Dr. Goldenberg if appropriate.
